**HEADACHE.**  
**Judge Patterson.**  
READ the following from Judge Patterson, for  
thirty years the first Judge of the county in  
which he lives.  
Middleton, N. J., March 12, 1841.

Messrs. Comstock & Co.  
Gentlemen—You are at liberty to make such  
use of the following certificate as you deem  
best to serve the purposes for which it is intended.  
**(Certificate of Judge Patterson.)**  
I hereby certify that my daughter has been  
afflicted with sick headache for the space of about  
20 years; the attacks occurring once in about  
two weeks, frequently lasting 24 hours, during which  
time the paroxysms have been so severe, as ap-  
parently soon to deprive her of life. And after  
having tried almost all other remedies in vain, I  
have been induced as a last resort to try Spohn's  
Headache Remedy as sold by you; and to the  
great disappointment and joy of herself and all her  
friends, she found very material relief from the  
first dose of the medicine. She has followed up  
the directions with the article, and in every case  
when an attack was threatened has found im-  
mediate relief, until she is permanently cured. The  
attacks are now very seldom, and disappear almost  
immediately after taking the quantity directed.  
A hope that others may be benefited by the use of  
this truly invaluable medicine, has induced me to  
send you the above, and remain your obedient  
servant.

## Consumption and Liver Complaint.

**Dr. Taylor's Balsam of Liverwort.**  
HAS been used successfully for eight years in  
the cure of these diseases. Remember!  
The original and genuine is made only at 375  
Bowery, N. Y., all others are spurious and un-  
authorized!

**Consumption and Liver Complaint!**  
As a general remedy for these diseases, I am  
fully satisfied, from long experience, there is no  
medicine equal to Dr. Taylor's Balsam of Liver-  
wort. Being purely vegetable, it can be used  
with the utmost safety by all persons in every  
condition. It cleanses the lungs by expectora-  
tion, relieves difficult breathing, and seems to  
heal the chest. There can be no question, but  
that medicine is a certain cure for chronic coughs  
and cabs. I have used it for four years in my  
practice, and always with success.  
**A. F. ROGERS, M.D.**

**Consumption!**—The following remarks were  
taken from the last number of the Medical Maga-  
zine:  
"The surprising effect produced by Dr. Tay-  
lor's Balsam of Liverwort, in consumption cases,  
can not fail exciting a deep and thrilling interest  
throughout the world. We have so long believed  
this disease (consumption) incurable, that it is  
difficult to credit our senses when we see persons  
evidently consumptive, restored to health. Yet  
this is a fact of daily occurrence; how then can  
we question the virtue of the above medicine?  
In our next, we shall be more explicit; meantime  
we hope physicians will make trial of this medi-  
cine and report its effect to us."

**NOTE.**—The original and genuine Taylor's  
Balsam of Liverwort is made and sold at 375  
Bowery.

**LET FEMALES!**—The number of females in  
delicate health in this city is truly surprising—  
Weakness, loss of appetite, liver complaints, and  
many other diseases prey upon them, making  
them pale and lean of flesh. All this can be  
remedied by the use of strengthening medicine,  
that will assist nature in all her movements, re-  
store tone to the nerves and muscular organs.  
Of this kind is Dr. Taylor's Balsam of Liverwort,  
which being mild and purely vegetable, answers  
females admirably. Hall will use it, we are con-  
fident an elastic step, good appetite, and really  
cheers will follow. Always remember, the origi-  
nal and genuine is made at 375, Bowery.

**SPITTING BLOOD.**—This disease consists  
of a discharge of blood, often frothy, from the  
mouth, brought up with hawking and coughing,  
and is usually accompanied with difficulty of breath-  
ing, and some pain in the chest. Sometimes it  
is preceded by an oppression at the chest, a dry  
tickling cough and slight shooting pains.—This  
disease is always more or less dangerous. The  
great danger is that these symptoms may termi-  
nate in consumption, and immediate remedies can  
alone save the end. But Dr. Taylor's Balsam  
of Liverwort is a sure remedy, and it shows its  
unparalleled success certificates of cures from 42  
citizens and many physicians will be published in  
a few days.

**NERVOUS DISEASES & WEAKNESS.**  
—Dr. Taylor's Balsam of Liverwort, made at 375,  
Bowery, is assuredly an excellent remedy for these  
diseases. My wife has been more or less ill for  
ten years. She was extremely nervous, and at  
times so weak that she could not attend to her  
domestic duties. By the use of this medicine her  
strength is wholly restored, and she is as healthy  
as I can wish her to be. My address is at Dr.  
Taylor's office.

**CURE OF CONSTIPATION.**—Mrs. Marin,  
a worthy member of my congregation, was taken  
all some time since with a cold, pain in the breast,  
and some difficulty of breathing, and in a few days  
thereafter she had a violent cough and pain in the  
sides, which no medicine would relieve. She con-  
tinued in this way for a long time under the  
medical care of Dr. Ross, but finally became consump-  
tive, and was evidently near the end of her earthly  
suffering, when her brother persuaded her to try  
Dr. Taylor's Balsam of Liverwort. When she  
commenced this medicine it did not seem to  
agree with her for the first few days, but by less-  
ening the dose, she found it answered admirably.  
It relieved her cough and her difficulty of breath-  
ing, and she had the pleasure of witnessing  
her rapid recovery to health.

**REMARKS.** Buy only that which is made at the  
old office, 375 Bowery, N. Y.  
Sold by  
**G. L. THOMPSON.**  
Ottawa, Ills.

**HUMAN HAIR.**  
**Cleanliness of the Head and Hair.**  
STRANGE it is that persons who attend strictly  
to personal cleanliness, bath, &c. should ne-  
glect the head—the hair—the most essential—  
the most exposed—and the most beautiful. When  
properly cared for, of all the gifts of the Creator,  
directly free may it be least cannot fall out, by  
the use of the Balm of Columbia. Ladies, will  
you make your toilet without this article? I  
answer fearlessly, No, if you have once tried and  
experienced its purifying effects—its sweet per-  
fume.

A hundred articles have been put forth on the  
credit of this—the only first—the only really valu-  
able article. A mass of testimony from all  
climates to these effects.

**LOOK OUT!**—Counterfeits are abroad—look  
always for the name of COMSTOCK & CO., the  
splendid wrappers, and not buy it without  
that name.

**From the Boston Chronicle, Jan. 10.**  
We see by an advertisement in another column  
that Messrs. Comstock & Co., the agents for Old-  
ridge's Balm of Columbia, have deputed to sell  
that article in Boston and elsewhere. We know  
a lady of this city whose hair was so nearly gone  
as to expose unbecomingly her phenological develop-  
ments, which, considering that they betokened a  
most amiable disposition, was not in reality very  
unfortunate. Nevertheless she remained in the  
lows of locks that she had worn, and after a year's  
fruitless resort to medical restoratives, purchased  
some months ago a bottle of two of Oldridge's  
Balm, and she has now ringlets in rich profusion,  
glossy, and of raven blackness. We are not  
puffing; none of the commodity has been sent to  
us, and indeed, we do not want any, for though we  
were obliged to wear a wig a year ago, we have  
now, through its virtue, hair enough, and of a  
praiseworthy quality, of our own.

**DARING FRAUD.**  
The Balm of Columbia has been imitated by a  
notorious counterfeiter. Let it never be purchas-  
ed or used unless it have the signature of **COM-  
STOCK & CO.** on a splendid wrapper. This is  
the only external test that will secure the public  
from deception.
